PITMAN, United States Magistrate Judge:

By letter dated April 25, 2013, defendants seek in  
camera review of certain documents being withheld by plaintiff on

the ground of the attorney-client privilege and the common interest rule. Plaintiff has enclosed the documents for in camera inspection in a letter dated May 2, 2013.

In undertaking in camera review of the exemplar documents cited in the parties' correspondence, I shall consider only arguments articulated by counsel. Accordingly, if defendants wish to make a fuller submission with additional factual and legal support for their position, such a submission shall be made no later than May 14, 2013; any memorandum of law shall not exceed 20 pages. If plaintiff wishes to respond, such response shall be made no later than May 21, 2013, and any memorandum of law submitted by plaintiff shall not exceed 20 pages. In the absence of any such submissions, I shall determine whether privilege has been properly asserted by plaintiff on the basis of the letters alone.
